## THE NATIONAL EXCHANGE CLUB

...here are a few great reasons.

**Helping Others** Exchange is a service club. Exchangites provide community service both locally and nationally. This is the best reason for becoming a member: the chance to do something for someone else and to know the fulfillment that comes from giving. Exchangites believe in Unity for Service. Together, we can and do make a difference everyday.

**Business Development** Everyone needs to network. Exchange consists of a cross section of the business community. Its members come from all walks of life. Exchangites help each other and collectively help others.

**Friendship** Exchange provides a regular opportunity for fellowship with people who have similar interests - people you will enjoy getting to know.

**Citizenship** Membership in Exchange makes one a better community citizen. The average Exchange club consists of the most active citizens of any community.

**Leadership Development** Serving in an Exchange position is like a college education in leadership: learning to motivate, influence, and lead successful people.

**Fun** Exchange is a lot of fun. Each meeting is fun. The club projects are fun. Social activities are fun. And, the service is fun.

**Public Speaking Skills** Exchange develops confidence and skill in public communications and the opportunity to practice and perfect these skills.

**National Network** Because there are Exchange clubs almost everywhere in America, many traveling Exchangites needing a doctor, a lawyer, a hotel, or advice have found assistance through an Exchange club member.

**Social Skills** Exchange develops social skills and people skills. On every level - club, district and national - Exchange has parties, activities, conferences, conventions and seminars that provide entertainment in addition to information.

**Nice People** Exchangites are, above all, the nicest, most caring people you'll meet anywhere. They are dedicated to helping one another, their community, and their country.
